Tabinet – Game Rules (Short Version)

Players: 2

Deck: Standard 52-card deck

Objective: Collect the most points by picking up cards from the table.

Gameplay:

- Each player is dealt **6 cards**.
- **4 cards** are placed face-up on the table.
- On your turn, you **play one card** from your hand. You can:
 - **Pick up** one or more cards from the table **if their total value matches** your played card (e.g. $9 = 4 + 5$).
 - Or, **discard** the card onto the table if no combinations exist.
- **Face card values:**
 - Jack, Queen, King = 10
 - Ace = 1
 - All others = face value

Special Rules:

- If a player **clears the table**, it's called a "**tabla**" and earns **1 bonus point**.
- When the **deck is empty** and all hands are played, the remaining cards on the table go to the **last player who made a pickup**.

Scoring:

- **Point cards:** Aces, 10s, Jacks, Queens, Kings (1 point each)
- **Bonus cards:**
 - 2♣ (Two of Clubs)
 - 10♦ (Ten of Diamonds)
- Each tabla: **+1 point**
